

# THE THIRD SUNDAY OF EASTER April 18, 2021

The third Sunday of Easter

## From the Pastor's Desk

During the next few weeks our parish family will reflect on how we can grow in love for God and neighbor. We will hear the call of Jesus to be God's stewards. We will make a conscious decision about how we can further Christ's mission by sharing our gifts of time, talent, and treasure with God and one another. Members of our parish community will conduct a presentation at all Masses next weekend to share with us how our parish utilizes the funds we give during our weekend Masses.

\*\*\*\*Do you know anyone who is not able to come to church who is in need, or would like to receive the sacraments? Father will be happy to visit them.

## Dear Father, I was wondering

What is the significance of the Easter candle?

Dear Friend, thank you for your excellent question. The Easter, or paschal, candle represents Jesus risen from the dead. It is lit for the first time during our Easter vigil Mass, and is lit during the Easter season, and at each baptism and funeral throughout the year. Our Easter candles this year are specially made in honor of St Joseph.

**Please note: The Parish Office is open from 10am to 2pm on Monday, Tuesday, Thursday, and Friday.**

Through his intercession may we be filled with every grace and blessing O St Joseph, pray for us.
