Coming to a project near you!

Need a hand? *WorkcampNE* is a non-profit organization that has been repairing homes in the Northeast for over 30 years. They organize groups of students to perform home repairs at **no cost** to the homeowner. Over 800 families have had their homes changed and lives touched by the amazing youth who take the time to serve others. The Diocese of Manchester is proud to partner with WorkcampNE to bring service opportunities to the state for youth and young adults.
